

**For Generalist, Cardiac, & Vascular
External Candidates
or members seeking additional
credentials**

External Candidates are not graduates of an Accredited Sonography program within the past 4 years as defined in the Eligibility Policies.
An example of this applicant is one who is or has been working as a registered sonographer in their country of origin.

NOTE! This is a guide to determine the likelihood of being able to challenge Sonography Canada examinations. External Candidate eligibility is assessed on a case by case basis. The information submitted is used to determine eligibility to challenge Sonography Canada examinations and the Canadian Clinical Skills Assessment™ (CCSA) and does not guarantee Sonography Canada registration.
