

## **Now This is Living!**

Feeling the need to do something out of the ordinary and add some excitement to your life? Want to wake up every morning to endless recreational opportunities? Want to experience northern BC's rich cultural heritage at its best?

With Northern Health you can enjoy a lifestyle that offers small town warmth, big city amenities, affordable living, and some of the shortest commutes in the country. That's what we call the best of BC – without the price tag!

---

### **Diagnostic Medical Sonographer Full Time, Relief and Casual – Various locations throughout Northern Health**

As a Diagnostic Medical Sonographer you perform diagnostic medical sonographic duties as a regularly scheduled service for the Hospital and surrounding area. You also perform related maintenance and clerical functions.

To be successful in this position you will have graduated from a recognized/accredited North American Program in Diagnostic Medical Sonography. Current Sonography Canada credentialed membership and / or certification with the American Registry of Diagnostic Medical Sonographers (ARDMS) as required for the assigned practice area (such as, generalist, cardiac, and/or vascular).

---

#### **Check out what else you can expect by choosing Northern Health!**

- Generous relocation packages for difficult to fill positions
- Northern living allowance in rural communities
- Great benefit packages and pension
- Unmatched work-life balance
- Affordable housing prices in most of our communities
- Four season, endless outdoor adventure

---

*“Northern Health allows me to pursue all of the specialties of ultrasound that I am accredited for. In the larger centers, a technologist has to decide whether they will pursue echocardiography or general sonography, here I get to do both!” – Sandi – Diagnostic Medical Sonographer - Quesnel*
