

OUR STRATEGIC PLAN

Mission

We are the Canadian voice of diagnostic medical sonographers, fostering best practices and promoting the pursuit of excellence.

Vision

Sonography is practiced with excellence across Canada

Strategic Priorities

Sonography Canada's strategies for 2020-2022 will be:

Sustainable workloads and high-quality patient care

Advancement of professional practice in diagnostic medical sonography

Member support through all stages of professional practice

A member-driven, proactive, innovative and streamlined professional association

We have a vision. We have a mission. We have a plan.

We want you to be a part of it!
